Retirements

HEADQUARTERS' ACTIVITIES

	Issue	*Page*
Congress — showcase or circus	11	292
IEHO Congress (Presidential speech)	9	243
IEHO Congress and Exhibition	8	203
Towards the 1990 Congress and Exhibition	6	148

EDITORIALS

Title	*Issue*	*Page*
Agency services — a time to decide	6	145
Aviation and noise pollution	3	57
Campaigning for warmer homes	12	313
Co-operating over health and safety inspections	5	121
Consistency of enforcement	11	289
Continuing professional development	2	25
Environmental Protection Bill	9	225
Prevention better than cure	1	1
QA — the common sense solution	7	173
Smoking in the workplace — limiting exposure	10	261
Unfitness — who will decide	4	89
Updating women returners	8	201

EUROPE AND EUROPEAN COMMUNITY ISSUES

Subject	*Issue*	*Page*
Also issued (update)	7	198
Animal waste proposal	2	49
Bivalve molluscs proposal	7	195
BSE amendments	8	220
BSE measures	6	167
Call for tenders	8	220
Carginogens Directive	9	253
Consumer protection	1	17
Contained Use Directive	7	197
Deliberate Release Directive	7	197
Diesel emissions	9	253
Draft directives update list	6	168
EC legislation issued in 1989	1	17
ECOSOC opinion on Waste Water Directive	10	283
EC research programmes	9	255
EC symposium on the control of foodstuffs (Rome 6-8 December 1989)	2	45
Environmental statistics	10	284
European Community policy on food safety and quality — a Trading Standards Officer's view	2	43
European court prosecutions	6	169
European Environment Agency	9	254
Fish hygiene	6	168
Food irradiation	1	16
Foodstuffs proposals	8	220
Fresh meat proposal officially published	4	108
Fresh poultry meat	4	109
Frontier checks proposal adopted	3	74
Health and Safety Directives (three new adopted)	3	75
Health and Safety Directives (two new adopted)	8	219
Health and Safety of temporary workers	11	310
Heat-treated milk	5	139
Manual handling of loads	8	219
Marine pollution	10	284
Meat products	5	139
Milk and milk-based products	5	140
Minced meat	4	110
Minced meat — ECOSOC opinion	11	310
Nematodes in fish	1	15
New poultry meat proposals	1	15

EUROPE AND EUROPEAN COMMUNITY ISSUES *(continued)*

Subject	*Issue*	*Page*
1990 work programme	6	169
Official control of foodstuffs — one year on	11	311
Personal protective equipment 89/656	3	75
Plastics in contact with foodstuffs	6	167
Products of animal origin	2	49
Radon recommendation	5	140
Research abbreviations	9	255
Sunday trading	1	16
Sweeteners in foodstuffs	11	312
Temporary and mobile worksite safety	10	283
The White Paper	11	312
Update on documents issued since December 1986 (not covered in EC News)	6	168
Urban environment report	9	255
Vehicle emissions	6	167
Veterinary safeguards	1	17
Visual display units	8	219
Waste resolution	7	198
Waste water proposal	2	50

FEATURES

Title	*Issue*	*Page*
Communication		
Why EHOs are taking to electronic mail	3	78
Education		
Role of continuing professional development	12	333
Women — the profession's untapped reservoir?	8	211
Environmental Health		
Affecting change — environmental health in the 1990s	3	80
Looking to the future	9	233
The Environmental Health (Scotland) Unit	6	170
Food Hygiene		
Bacteriological quality of soft ice cream	6	161
Collecting and interpreting temperature data	4	92
Food labelling developments	6	164
Health promotion in Gibraltar	5	142
Hygiene control of foodstuffs	4	104
Local authority health promotion initiatives	8	204
Outdoor event catering	4	111
Practical aspects of single temperature measurement	4	97
Rapid and traditional methods of assessing cleaning standards in food premises	9	235
Sous-vide — new technology catering?	4	100
The survival of microbial contamination on work surfaces and cloths and its transfer via cloths, hands and utensils	2	34
Health and Safety		
Appeal against a prohibition notice served on the use of a bandsaw	7	199
Electricity at Work Regulations 1989	10	271
Fork lift trucks — towards improving safety	5	124
Homeworking — a forgotten issue	9	247
House dust mites in the workplace	11	304
Legionellae in non-industrial premises: experience of assessment	11	298
Priority planning for health and safety inspection	5	133
Safety in sports grounds — the role of the regulatory authorities	5	129
Sick building syndrome and the quality of the indoor environment	11	302
The legal issues of smoking at work	10	276
Housing		
Action on individual unfit dwellings	12	323
Alternative sources of funding	9	xvii-xix
Disabled facilities grant	8	xiii-xvi
From block repair to group repair	5	136
Giving renovation grants a human face	4	113
Halting the decline of poorer housing	12	328
Housing — a policy update	12	316
Minor works assistance — the local authority perspective	9	xx
Minor works grants (I, II, III) — working with the new system	5	i-iv
Minor works grants (IV, V) and model application form	6	v-viii
Neighbourhood renewal assessment	1	20
Putting the client at the centre	7	ix-xii
Renovation grants — use of computer systems	12	318
Pest Control		
Pigeon control: towards a humane alternative	6	155
Safe pest control is no accident	6	149
The use of pesticides by local authorities	7	191
Pollution		
An investigation and appraisal of pollution work in environmental health departments in London	3	60
Assessment of dust nuisance	8	215
Developments in pollution control legislation	4	114
Domestic drinking water — an alternative to the tap?	2	28
Government White Paper on the Environment — IEHO comment	11	307
London-wide survey on drinking water quality	12	329
Lead levels in drinking water from water boilers in Glasgow District Council Premises	2	32
Monitoring and surveillance of drinking water in South West England	10	281
Noise at Work Regulations: UK v. Europe	8	209
Noise council survey of clay pigeon shooting	2	52
Noise, stress and human behaviour	8	206
PCBs	1	13
Protection and control by engineering design	1	9
Radiation exposure of the UK population and prospects for dose reduction	3	70
Staff training in water quality at Malham Tarn	4	118
The legacy of contaminated land	1	4
The real risks of bathing in water contaminated by sewage	10	285
The Water Act 1989 — implications for EHOs	3	64
Waterborne cryptosporidiosis and environmental health	9	228
Waste Management		
Changing public attitudes to litter	9	239
Clinical waste — what a mess	7	180
Litter — local pollution	7	176
Municipal waste incineration in the UK — what's holding it back?	7	181
Recycling in Denmark	6	158
Public Health		
Environmental health in France	1	18
Hygiene du milieu — environmental health in France	10	267
Quality Assurance		
Auditing hygiene: the science of deduction	7	187
Quality assurance — a taste of the future (the implications of quality assurance systems to food manufacturers and enforcement agencies)	2	38
Radiation Monitoring		
The Local Authority Radiation and Radioactivity Monitoring Advice and Collation Centre (LARRMACC)	10	263
